MATTERS ARISING:

Thanks to Cllr Rhodes and Cllr Letford for organising the lines outside the Church – we wait to see if they turn up at the end of October.

Maryhill Community Police have been asked to re-start submitting a police report each month – Caroline was given the name of another officer at Maryhill Police station (which she has misplaced! Can someone supply this please – thanks) She will contact.

Sub-Committee for Dorchester Playpark - Wendy Watt and Nick Bell who will liaise with Cllr Rhodes and look into playpark provision for Kelvindale as a whole (This could be our project of the Year)

ANY OTHER BUSINESS

Stalled Space at old Gibson Hall site - bike park/trail hopefully in operation by mid 2013

Local Notice Boards - L.E.S. to look at the front of the noticeboard on the wall of the Spa – it has become very scratched and notices are not easy to read. Cllr Rhodes will follow up.

Snow Wardens – Caroline and Wendy Watt have volunteered to be snow wardens but are no further forward on how to volunteer. Cllr Razaq commented that the LES executive would be at the next Area meeting and hopefully would be able to supply information on how to apply.

Royal Mail - suspended deliveries in Weymouth Drive flats due to access issues. Royal Mail is a Westminster issue but Cllr Rhodes has brought this to the attention of Anne McKeechin as our Westminster representative and she will follow through on this. This is as a result of the changes in delivery times and difficulty of access through locked main doors. It seems the changes were made without advising the residents.

'20's Plenty' - sign at Weymouth Dr/Cleveden Rd turned around – Cllr Rhodes to investigate

Litter Bins - needed on Leicester, Weymouth, Ashburton, Winchester as well as Kelvindale and Cleveden Roads – Cllr Rhodes will look into this.

Dorchester Ave Flat Bins - mess due to foxes and old style bins – Cllr Rhodes to investigate

Caroline once again thanked all the elected members present for coming to the meeting.
