MATTERS ARISING:

Buses - Carol to get map of bus stops for the website. She will also send her draft review response to Caroline for approval.

Mineshaft - Martin Rhodes arranged a meeting with representatives from LES and DRS in Glasgow City Council which Cllr. Letford and Weymouth Drive residents attended. Each concern of the residents was addressed and 8 action points will be taken forward from this meeting on 17th October 2013. If nothing has been heard by the next Community Council meeting in November, Caroline will write asking for a response to the 8 action points.

Play park - A meeting has been arranged to discuss the proposals from the Council and Jupiter. The cleaning and maintenance of the play park is not satisfactory and it is becoming more run down. Nick has sent photos to our elected members and Cllr. Letford has arranged a meeting for 24th October 2013, to discuss the maintenance issue.

POLICE REPORT:

There have been 4 house break-ins in the past month - all through unsecured windows. A Public Service Counter Review is underway and Ken will look at this issue and report back at the November meeting. The Police were asked to look at the blind corner on Leicester Avenue from a safety aspect when cars are parked there.
