In Attendance:

Carol Gilbert, Donald Branney, Crawford Cassidy

Apologies:

Caroline Johnston, Cllr Franny Scally, Cllr Martin Rhodes, Patricia Ferguson MSP, Claire Craig

Minutes of the Last Meeting:

Due to an IT problem they will be made available for approval at the next meeting.

Matters Arising:

Play park refurbishment - Most of the finance is in place for work to start in November with completion at the end of December 2014. Wendy Watt will contact Glasgow City Council to obtain the final finance as we are keen to seek their assistance to meet the deadline.

Nick Bell will contact Land and Environment Services to reinstate railings for the parks pathway. We will check that gas pipe renewal work being done in the area from 20th October to 3rd November will not interfere with the park project.

Councillors Report:

Email message received from Craig Thomson -

Wendy Watt will contact Craig Thomson who is a play worker for local organisations. He is trying to increase the awareness of street play which is an initiative started in England. It involves closure of roads, bringing communities together and encouraging children to get out and play on a regular basis. Wendy will find out more and report back.

Mineshaft-

Carol Gilbert suggested that the gas pipes being rerouted around the mineshaft would help, if at some time the mineshaft was to be filled in. David McGuinness to take this up with Cllr Martin Rhodes.

Crawford Cassidy has been in touch with Land Services regarding street cleaning and trees on Great Western Road. An inspection has been done by Land Services.

Crawford Cassidy raised the issue of the Walking Clubs.

Glasgow Life has said funding could be made available if walking clubs were to be set up. David McGuinness will enquire if any other organisations run walking clubs in the city.

Nominations for re-election of Community Council Members-
Wendy Grannon will check that the nominations have been received by Glasgow City Council.

Date of Next Meeting

The date will be confirmed on our website www.Kelvindale.org for the 16th or 23rd of October 2014.

Additional note as of 2.10.14: it is now confirmed that the next meeting AGM will take place on Thur 23 Oct, 2014 at the Kelvindale Bowling Club
