## 1. MINUTES OF LAST MEETINGS

proposed: Carol Gilbert

seconded: Donald Branney

## 2. MATTERS ARISING

Trees - 3 black poplar trees need to be removed from the play park - work has already started.

Smart Water - Joe McKearns will come to the next meeting and explain the concept.

Play Park - there has been positive feedback from the users of the park. A £5000 invoice has been received from GCC. We need more details and Anne will request an itemised invoice. Cllr. Letford said he had received complaints that users of the Zip line could look into residents gardens. We still need to find out who will maintain the park long term and when the Police patrol to try and stop vandalism and drinking. Better lighting is required to help this.

## 3. ELECTED MEMBERS' REPORT

Cllr. Letford - trees in play park being removed. Lock-ups at Cleveden Place owned by City Property. Planning walkabout - date to be decided. Boundary changes - out to consultation. Police stop and search powers - out to consultation.

4. POLICE REPORT - none present. Caroline will write again and request attendance at meetings.

## 5. PLANNING

Chimney (South Street) - Planning Application has been lodged. Carol has put in an objection on behalf of KCC regarding air quality. Noise and view not significant issues for Kelvindale.

Clyde Plan - Carol to draft response

## 6. Lawrence King

River Walkway Wall - repairs done but slabs of stone that could fall need to be removed (safety issue)

Trolleys - supermarkets not interested in collecting

Dog Waste Bags - we need more 'poo' bins in Kelvindale - Cllr. Letford will check into this on his walkabout.

Break-ins - Kelvindale Court has had 3 attempted break-ins and the Bowling Club has also had an attempted break-in.

Grass Cutting - schedule needed for Kelvindale

## 7. CORRESPONDENCE

28 March 2015 - elite swimming competition at Neptune's Steps

## 8. AOCB

Bin Lorries - parking on pavement at Spar and Baronald gate - Caroline to contact LES

Dorchester Avenue - drinking taking place in park at weekend and Police do not seem to be interested. Litter is getting worse and the pavements need to be cleaned but parking makes this a problem. MacTaggart and Mickel to be asked to clean-up old Gibson Hall site.

Speed Bumps for Kelvindale Road - Roads Department looking at all roads around Cleveden School. Will ask Roads to come to meeting.

Street Play - 19 and 21 June 2015, perhaps have play park opening at the same time?

Buses - perhaps revisit bus provision in Kelvindale.

## 9. DATE OF NEXT MEETING

Meeting closed 9pm
