

DRAFT MINUTES:  
KELVINDALE COMMUNITY COUNCIL.  
Kelvindale Bowling Club  
22 September 2016 7.30pm

PRESENT: Nick Bell, Wendy Grannon, Carol Gilbert, Claire Craig, Ken Windsor, Lawrence King

#### 1. APOLOGIES

Anne Gasteen, Wendy Watt, John Letford, Martin Rhodes, Bob Dorris

#### 2. MINUTES OF LAST 2 MEETINGS.

JUNE: Proposed: Ken Windsor; Seconded: Wendy Grannon

AUGUST: Proposed: Nick Bell; Seconded: Claire Craig

#### 3. MATTERS ARISING:

Buses to Hospital : Wendy to write to Niall McGrogan at the Health Board enquiring about Travel Plans.

October AGM : Ken will be standing down as Secretary.

KCC Publicity Drive : Produce a possible flyer/leaflet/digital newsletter to inform residents who we are and what we can do for them. Notice board glass needs to be replaced - Nick to contact LES. Once repaired we can display information about us and what is happening there plus Bowling Club, Spar, Londis and Morrisons. Any content for publicity drive to Committee by beginning of November.

#### 4. POLICE REPORT

Police will speak to Smartwater contact at Maryhill Police Station. At the moment 30 houses are needed for the Police discount (£16/kit) however they might go with 26/27. Nick to collate any details we have and send to Graeme Leggate at Maryhill Police Station. House break-ins and bicycle thefts are the main problems in Kelvindale. White line outside driveways are not Police enforceable unless an obstruction. Contact 101 with any concerns.

#### 5. ELECTED MEMBERS REPORTS - none present

Ken to enquire who our Elected Representatives are as we are now in a new Ward (23) called 'East Partick'

#### 6. CORRESPONDENCE - nothing of note

#### 7. PLANNING

No new McTaggart & Mickel planning application yet.  
South Street Recycling Facility - at appeal  
Local Plan - at appeal

#### 7. PLAYPARK

Willow Tunnel under construction with the help of Kelvindale Primary School Eco Committee. Bulbs to be planted - date tbc.

#### 8. AOB

Leaf-fall - Wendy to invite a representative (? Eddie Scanlon) from LES to November meeting to give update on leaf-fall, drains and food waste collection from flats.

Maryhill Health Centre - now open. We could maybe ask a representative to come to a meeting in the future to give us some idea of what happens in the Health Centre.

Kelvindale Railway Station - There have been problems with the Rail Partnership meaning the adoption is ongoing and the Art Exhibition is on hold. KCC will help with planting in Spring. We need to identify where signs would be most useful to direct people to the station and we should try to collate this by January 2017.

Kelvindale Improvement Plan - Any ideas bring to January 2017 meeting

#### 7. DATE OF NEXT MEETING

Thursday, 20 October 2016 (AGM)

Meeting closed 9pm
